

7D.10A Allocation to manure storage indemnity fund.

If moneys are not sufficient to support the manure storage indemnity fund as provided in chapter 459, subchapter V, the executive council may allocate from moneys in the general fund of the state, which are not otherwise obligated or encumbered, an amount to the manure storage indemnity fund as provided under section 459.501. However, not more than a total of one million dollars shall be allocated to the manure storage indemnity fund at any time.
